Vineland, N. J.

TO THE TRADE:

In presenting our 1925 Trade List of Dahlias of Quality and Distinction, we wish to thank our customers for their liberal patronage. We are proud of the fact that we more than doubled our wholesale business last year and look forward with pleasure to your future orders.

With the stock from our 35-acre Nursery and 13,000 square feet of floor space completely equipped for the growing, shipping and storage of dahlias, we are able to fill orders promptly and satisfactorily.

We are located in South Jersey, the ideal spot for dahlias. Our roots are all field grown from healthy stock which has never been forced. Our principles of plant propagation are field selected clumps; low, healthy growing greenhouse temperature; firm base cuttings, of quality not quantity; with field irrigation for proper setting.

Prove the worth of Dahlias of Quality and Distinction by growing them. Satisfaction guaranteed.

TERMS.

Cash with Order. 10% Discount allowed on orders of \$100.00 or over paid in full before shipment.

Guarantee

All roots are guaranteed true to name and description to the extent of replacement and entire satisfaction. Claims as to the condition of goods cannot be entertained unless made within 5 days after receipt of same.

All goods forwarded at purchaser's risk. We do not guarantee dahlia roots against freezing when shipped during the winter months. However, we will take all precaution in special packing and shipping during favorable weather.

ORDER EARLY while our line is complete. We will gladly select and reserve stock for future shipment or ship whenever you wish. Assuring you of the most for your money.
